Dear Friends of the Hilo Medical Center Foundation,

As we head into the holiday season, we would like you to know we are working hard each day to keep your family and friends safe during this unprecedented time.

As COVID-19 continues to spread, the future has never felt so unpredictable. These are challenging times for us all, and we hope that you are in good spirits and health! Right now, we are doing everything possible to sustain daily operations and provide services to our community. While there is a lot of uncertainty, we know that we need to adapt quickly to the changes in all of our lives. Now, more than ever, our community needs us. And we need you.

If you are able, please make a donation to support the delivery of high-quality healthcare in East Hawaii.

Trying times remind us of how interconnected we are. Thank you for being part of our community; without your support, our good works would not be possible.

Stay safe and well,

*Lisa*
